O R D E R

Continental Telephone Company of Kentucky filed with the Commission on March 4, 1983, its responses to the Commission's request for further information made at the hearing conducted on February 23, 1983. In this response numerous and complicated revisions were made without supporting documentation being provided. The Commission in reviewing these responses finds it necessary to request additional documentation and workpapers for the 1983 and 1984 wage adjustments, adjustment to relief and pension expense, adjustment to expenses charged to construction and adjustment to payroll tax expense for the 1983 and 1984 wage adjustments. In order to avoid undue duplication the Commission will require only three copies with a copy to all intervening parties of record.

IT IS THEREFORE ORDERED that Continental Telephone Company of Kentucky shall file an original and two copies of the above mentioned information as soon as possible, but no later than April 1, 1983, whereby this case may be completed in a timely fashion.

Done at Frankfort, Kentucky, this 24th day of March, 1983.
